

TRACE TABLE

Made to order in a variety of sizes, materials, and finishes

Shown in steel with a semi gloss white powder-coat
Solid maple butcher-block top with an ebony stain

72"w x 36"d x 29"h

Through a single, contiguous line, the legs of the Trace define the edge, rotating and pivoting each time there is a change in plane. The line is only interrupted by a slight idiosyncrasy, a small triangle peeking out, as the leg transitions to the apron.
