

BOW TIE TABLE

Made to order in a variety of sizes, materials, and finishes

Shown in steel with a black oxide patina

Solid maple butcher-block top with a white-wash finish

72"w x 32"d x 29"h

Viewed from one end, the top and base of the Bow Tie appear to come together in a simple connection of the two materials along the same plane. As the viewer turns the corner, an unexpected detail is revealed. The frame disappears into the top, leaving only the suggestion that there is more under the surface.
